

### REMARKS

Upon review of the allowed application, informalities have been noted in claims 41-43. More specifically, in claim 41, line 12 and claim 43, line 5 the term "fork" is incorrectly spelled as "form." In claim 42, line 20 "quartz crystal tuning fork" is incorrectly phrased as "tuning quartz crystal fork."

To correct the foregoing informalities, claim 41, line 12 and claim 43, line 5 have been amended to change "form" to "fork" and claim 42, line 20 has been amended to change "tuning quartz crystal fork" to "quartz crystal tuning fork."

The minor revisions to claims 41-43 requested herein will not entail undue work on the part of the PTO staff, but the amendments are needed to correct informalities and to ensure that the claims correctly define the subject matter of the invention.

Favorable consideration and entry of this amendment  
are respectfully requested.

Respectfully submitted,
